From the Minister

It's hard to believe that our first year of Interim Ministry together is coming to an end! From my perspective, this has been a wonderful year. Thank you for welcoming me into your fold while I sojourn with you during this transitional time. Thank you for your graciousness and hospitality. Thank

you for doing the work of church and, even more importantly, for BEING church!

A number of you have begun to ask about my summer plans. Before summer officially begins, I will be traveling to Kansas City, MO to attend the UUA's General Assembly from June 18th-June 23rd. I will not be checking voicemail during this time, but you're welcome to be in touch by email: minister@uusharon.org.

I will be back the final week of June and available by appointment. During that week, I will be wrapping up some end of the year loose ends and getting ready to head into summer.

Most Interim Ministers take 8 weeks of vacation during the summer months. I will be taking 4 weeks of vacation and will spend the other 4 weeks on "Study Leave." While I'm on study leave, I will be reading and planning and getting organized for the year to come. I will not be holding office hours and will mostly be working from home, but I will be available to meet or talk if you need me. I will be checking voicemail sporadically over the summer, so email is still the best way to reach me: minister@uusharon.org.

During the 4 weeks that I am on vacation, I will be spending time with family, doing some traveling, and trying to "unplug" as best I can. I will be on vacation for 2 weeks in July and 2 weeks in August (see dates below). During those weeks I will not be checking voicemail and will be trying to limit my time on email. If you're in touch with me during those times, I may not get back to you until my vacation time ends (unless it is an emergency). In the event of an emergency, both Susan Olson Drisko (President) and the Caring Committee Co-chairs, Ivy Krull and Joyce Bramhall, will know how to reach me.

I will be on vacation from July 6-21 and from August 10-26. I plan to return to the office on Tuesday, August 28 and will resume regular office hours again once school has started the following week. I very much look forward to worshipping together again on September 9th when we celebrate your annual Ingathering and Water Ceremony.

I hope that you have a restful and restorative summer and I look forward to our 2nd year of Interim Ministry together!

Rev. Wendy

Summer Boredom

I am a big fan of summer boredom. Not knowing what to do with oneself is an essential human experience. You can try to fill it up with Snapchat, Instagram, and games on your phone, but

even they get boring after a while. And you are left with that uncomfortable sense that you are dissatisfied and that there is probably something interesting happening to other people in the world, but not you. That uncomfortable feeling motivates many people to put down the phone, get off the couch, and look for something new and genuinely engaging to do in the world.

Parents: if your kid is casting about for a new adventure, please be aware -- there are things to do at church in August. Making copies. Putting together teacher orientation packets. Scanning documents. Organizing the online RE Archive. Organizing the art paper in the RE Storage Closet. Unclogging the caps of the glue bottles. Organizing the children's library. And much more.

Many children and youth can benefit from a volunteer gig at church. Katherine Reynolds Lewis has talked about the negative effects of the "unemployment" of children and youth. "They're not asked to do anything to contribute to a neighborhood or family or community," Lewis told NPR in a recent interview. "And that really erodes their sense of self-worth — just as it would with an adult being unemployed." Read more at https://www.npr.org/sections/ed/2018/06/02/611082566/why-children-arent-behaving-and-what-you-can-do-about-it?utm_campaign=storyshare&utm_source=facebook.com&utm_medium=social

(Thank you, Ellen Bordman, for sharing this article with me.)

I encourage you to talk with your child about whether they might be interested in volunteering at church in August. They can bring a sibling or a friend (some tasks are more fun that way) and discover BOTH the joys of making a difference as a volunteer AND the satisfaction of knowing how things get done at church. Send me an email if you'd like to explore this option in August.

Blessings,

Louise

Ministerial Search

From the Ministerial Search Committee

As I write this column, your survey responses are pouring in! This is really going to help ministerial candidates know who we are, what we believe in, and what we need in worship. Thank you for patiently and thoughtfully completing the survey. We will be compiling these results and sharing them with you in the near future.

In the beginning of June, the Search Committee had a one day retreat with Lisa Anderson, our UUA Transitions Coach. She helped us figure out our roles on the committee as well as clarifying what timelines and tasks lie ahead of us. These activities will really pick up in the Fall and Winter, but the Search committee will meet during the Summer to prepare the package "selling" our congregation to potential ministerial candidates. This is a comprehensive document which includes information about our church and its history, all of the programs that we offer, as well as information and demographics about the town of Sharon.

So, remember that there will be more opportunities coming up for you to share your thoughts and opinions. In the Fall, we will be offering The Beyond Categorical Thinking workshop to help us visualize a new leader for our congregation. We will also be planning Cottage meetings, which will give everyone a chance to tell us what you want in a minister and what you need from our church. So, keep your eyes open for notices about all of these events. If you are interested in hosting a Cottage meeting in your home or at another location, please let us know.

This is an exciting time for our congregation. Please let us know if you have questions or ideas to share. We look forward to hearing from you!

Laurie Wallace, secretary
Ministerial Search Committee

Congregational Survey Reminder

In case you or other members in your household haven't yet filled out the Congregational Survey, and

you may misplaced the link to it, here's the link again

<https://www.surveymonkey.com/r/XV8BXRv>

Since we had only one email address per household in some cases, please be sure to forward the link to any other congregation members in your household. If they see a message that the survey has already been filled out, they can use a different computer, a different browser, or open the message in a private/incognito window. Email search@uusharon.org if you're having problems with filling out the survey and we'll assist.

You can also pick up a print copy of the survey by the name tags in the upper church lobby, or contact the church office or search@uusharon.org to have one delivered to you.

Deadline for return of the surveys is **Saturday, June 30**. Please don't forget--Every voice counts!

Gratefully,

Your Ministerial Search Committee

Contacting Religious Education Staff in the Summer

Louise Marcoux, our director of Religious Education, will be enjoying a mix of professional development at Ferry Beach and annual leave during the month of July. She will be back in the office on August 7. She welcomes your email, calls, and visits in August. August office hours: Tuesday through Thursday, 8:30 am to 5 pm. Please call before coming by, in case she is doing errands or has an off-site meeting.

Chelsea Gould, our Youth Coordinator, is a 10 month employee. Her last day in June is June 21. She returns to work on August 23.

Karen MacKinnon, our Religious Education Assistant, is a 10 month employee. Her last day in June is June 20. She returns to work on August 22. Karen will be available in the RE office on Wednesday and Thursday mornings.

We need your photos!

The religious education portion of the church web-site is under construction. And it's not for minor repairs. Karen MacKinnon and Louise Marcoux are reorganizing the RE pages so that new families will have an easier time checking out the church from their phones.

You can help make these pages more attractive. Do you have photos of children leading worship? Children climbing trees? Children making lunches for MainSpring House? Children serving ice cream and brownies at the Bean Supper? Please share your photos with us!

Please rest assured that we will make sure that we have parental permission to post those photos on the church web site. We will not identify any children or youth who are depicted.

Stuff, Space and Storage Taskforce

It's a long road to getting better organized, folks. How will you know when we get there? For sure, Stuff will have a home. Closets will post a directory, shelves will have labels. And you and I will know where to put back the vase, the easel, anything that was taken out for a meeting and anything someone else has taken out for anything.

When I first came to the church in 1976, we were a tiny congregation with no minister and no paid RE director, and we did all the work that needed to be done and we all pitched in. I knew where the markers were kept and I felt a keen responsibility to put them back.

In a mid-size congregation people have a different mindset, for reasons. There's a lot more stuff and a lot more people. And we have a lot of shared, multi-use space as well. It's no surprise we need more efficient storage and explicit systems for effective use of space. And we need ways of communicating, not just to a few, but to all. We are all in this together:)

As we move into our 10th year of the addition, space is at a premium. The taskforce and committees have completed inventories (office and minister's office to be done in summer) and have purged items not useful. We have identified specific storage needs, adding better access to one closet, and remakes of large RE items that are hard to store, as well as requesting help with off-site storage which frees up one entire closet. A full report forthcoming.

Many thanks to everyone who engaged in inventory/ sorting work during the year, and especially taskforce members: Susan Allison, Joyce Bramhall, Elaine Price, Christian Roulleau, and Marcia Tranavitch.

Many nooks make a tidy church!

In the spirit of the old adage, “Many hands make light work,” we now have “Many nooks make a tidy church.” The Storage Task Force and the RE Committee are seeking nooks in the garages, basements, and attics of members and friends of the congregation to store items of various sizes that are used once a year by our community. The storage of these items outside of the church will open up closet space in the church – a criti-

cal need since, for instance, we lost our easel and flip chart storage closet last summer.

Most items do not require climate control. Most items are not heavy and are easily transported in a car. Storing one plastic tub in your basement or attic will make a big difference.

If you have a nook to offer, please contact Ellen Schoenfeld-Beeks at ellen@schoenfeld.com or Louise Marcoux at dre@uusharon.org.

Summer clear-out and Lost and Found

On July 2, all but Mainspring House lunch supplies will be discarded from the church refrigerator, in preparation for a thorough cleaning. Also, this weekend, the contents of the Lost and Found box

will be more-or-less attractively displayed in the vestry. Anything not claimed by July 1 will either be donated to the Community Closet or join the contents of the refrigerator in the dumpster.

Beyond our Walls

The Beyond our Walls Committee follows denominational events between our church and other churches, other churches in the UUA (Unitarian Universalist Association), and with the UUA. Some items of note are as follows:

Rev. Wendy Bell belongs to an Interfaith Clergy Group of Sharon houses of religion. It is a busy group and there may be a vigil on gun violence soon.

On November 4th there will be a Cluster Potluck Dinner at our church. The Five-Point Cluster is a cooperative grouping of the Foxboro, Sharon, Canton, Easton, Stoughton and Brockton UU churches. The Cluster regularly schedules trainings and other events so that we can interact with other churches and UU's and together do more than we might as individual churches. One very interesting event is one church inviting the members of the remaining churches to attend their services on a holiday weekend. On October 11th the Canton Church is hosting this shared service. We have an open invitation to all the other Cluster churches for the entire summer since some of them close for the summer. We will also host the shared service on February 17th.

We help with the CommUnity Closet at the Brockton Universalist Unitarian Church. At the closet we distribute used clothes targeted to needy people in the Brockton area once a month. Used clothes can be donated at the Social Justice table in the Vestry. In August we could use some volunteers to run the open day. See Jim Mullin if you are interested.

We have partner churches in Romania and England. In Romania we support a young man through school and pay the subscriptions to the UU magazine. Colleen Tuck has visited Romania several times and has interesting stories about our partner church. The Portsmouth, UK church interaction is primarily social with several pen pals continuing over recent years.

Lastly, at least two of our members will attend the General Assembly (the UUA annual meeting) later this month in Kansas City. We hope they enjoy both the GA and the city.

UU Sharon supports GA delegate status for religious educators

This February, the UCS Board of Trustees was among 30+ UU church boards from across this country that voted to support an initiative that would give professional religious educators (those who serve congregations but are not members of them) delegate status at General Assembly (GA). At GA, UUs come together to make decisions about the present and future of the association. Only delegates are allowed to speak at the microphones and vote on the articles.

The initiative succeeded. A vote on the question of delegate status was scheduled for GA 2018 in Kansas City.

The professional organization of religious educators then reached out nationally to find a graphic designer to draw attention to this important decision. Our very own Kate Parker-O'Toole responded to this request. Kate designed this huge banner, as well as buttons, stickers, postcards, and social media.

The Liberal Religious Educators Association expresses their gratitude to Kate Parker-O'Toole and to the Unitarian Church of Sharon for their support for a voice and a vote for religious educators at General Assembly. Results TBA

Our GA Delegates

Beth McGregor and Yvonne Marcoux are our church's delegates, along with interim minister Wendy Bell, at this year's UUA General Assembly, on the theme "All Are Called!", June 20-24 in Kansas City MO. They will certainly bring back learnings and inspiration from this gathering of UUs from all over the country. Many of the events at GA are also professionally video-recorded, so you can experience them at home (or at church) anytime this summer. Go to www.uua.org/ga/off-site/2018 to explore the possibilities.

July and August Programs

Interest and Discussion Groups

Book Group and Movie Group – Both the book and movie groups have decided not to meet in July but to resume in August.

For the first time, both groups will be discussing the same story, Amy Tan's **The Joy Luck Club**, about four mothers and daughters. Join us for either or both sessions.

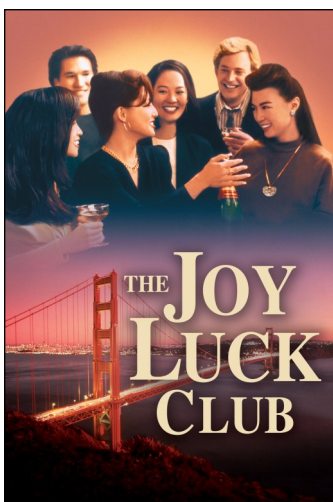

The book discussion will take place on Wednesday, **August 1st** at 7pm, when we will discuss Amy Tan's *The Joy Luck Club*. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mah-jong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club, choosing to raise their spirits and money. Forty years later the stories and history continue.

The book was nominated as one of America's best-loved novels by PBS's The Great American Read.

You are welcome to come even if you haven't finished reading the book.

The movie viewing and discussion will take place on Friday, **August 10th**, both at 7:00 pm.

Covenant Sharing Groups – Covenant Group Two meets every second and fourth Sunday. To join Covenant Group Two contact Laurie Wallace. Covenant groups are small groups (between 8 and 12 members) who discuss core

spiritual and ethical themes, using specific guidelines for sharing which ensure that the experience is safe for everyone involved.

Let's Laugh Today – There will be a meeting in July, but not in August.

Bring the whole family and get your giggle on by attending a FREE Laughter Yoga session in Program Rooms A/B from 11am to noon on **Saturday, July 14th** (and every second

Saturday of each month). Any age and any level of physical ability can participate in this uplifting experience! Enjoy this unique exercise of simulated laughter combined with gentle breathing that brings more oxygen to the body's cells. This oxygen boost gives enhanced vitality, energy and a feeling of real well-being. Several SPECIAL guests are attending this month!

Please bring your water bottle because laughing can be dehydrating. Led by Certified Laughter Yoga Teachers, Linda and Bill Hamaker. If you have any questions, just call them at 508-660-2223 or e-mail billandlinda@letslaughtoday.com. PLEASE BRING AT LEAST ONE CANNED GOOD FOR THE SHARON/STOUGHTON FOOD PANTRY. New laughs are always welcomed! See more information and more opportunities to laugh at www.letslaughtoday.com.

Support Groups

Al-Anon Meeting - An 11th step Al-Anon group meets at UCS each Sunday evening at 7:15pm. It is an open meeting.

Men's Group - **Meeting time change!** Meets on first and third Tuesday of the month, at 8pm in the Program Space A. New men are always welcome to join.

Women's Support Group – Meets on second and fourth Thursdays of the month at 7:30pm in the Program Space A/B. New women are always welcome to join.

SOCIAL JUSTICE NEWS

It's Summertime and our Social Justice work continues!

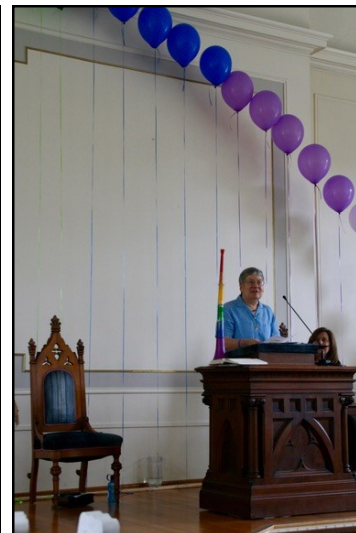

Another church year has come and gone, but the work for Social Justice never stops. While we take a bit of a break until the new year ramps up in September, please keep an eye on the various projects that will continue to need your help, and bring your passion for justice to the church this summer and on into the fall. Working together, we can make a difference in so many ways!

Rainbow Sunday at UCS

On Sunday, 3 June, we celebrated our traditional Rainbow Sunday. Mia Joiner-Moore and Linda Fingerson spoke beneath a rainbow of balloons on the topic of Transgender Justice, and the service ended with our human rainbow on the front steps before a celebration at Coffee Hour.

UCS at Boston Pride! It was a wonderful day in Boston on Saturday, June 9, a perfect day to celebrate social justice with the LGBTQ community. A special thanks to Linda Fingerson, who worked all three shifts at Government Center to postcard and speak with folks about the importance of defending #TransLawMA which will be on the ballot this fall.

FREEDOM FOR ALL MASSACHUSETTS

(ongoing summer work needed)

Call to Action - A key law protecting transgender people here in Massachusetts is at risk. In November 2018, Massachusetts voters will be asked at the ballot box whether to uphold the law that protects transgender people from discrimination in public places, such as restaurants, shops, and hospitals, or to repeal these protections. Details about the law and opponents' attempts to roll it back through repeal in November can be found at www.freedommassachusetts.org.

Safe Communities Act

There is an ongoing effort to establish Massachusetts as a Safe Communities state, and contacting legislators and state leaders on this topic is a priority this summer. Call or email your Representatives and Senators, House and Senate leadership, and the Governor to share your thoughts on this important topic. See Elizabeth Siftar for details and support in navigating the corridors of power on Beacon Hill.

TAKE ACTION! There are many ways that you can help during the summer months. Please go to freedommassachusetts.org for details about how you can get involved in phone bank calling, canvassing in key communities, and recruiting volunteers; or see Elizabeth Siftar or Linda Fingerson for ideas.

Linda Fingerson and her team prepare to rally support for Transgender Justice.

Summer meetings of the Social Justice Committee will take place on the first Sunday of July and August, in the Library, after the service. All church members and friends are welcome to attend any meeting. Share your ideas and concerns there or contact one of the co-chairs, Elizabeth Siftar and Gare Reid. We encourage everyone who wants to stay informed about social justice initiatives at the state level to sign up for UU Mass Action's weekly updates (uumassaction.org).

Thank you, Janet!

Finally, we must take a moment to thank **Janet Schmidt** for her 2 years of service as **Clerk** of the SJC. During a period of transition, her work on behalf of the committee, and thus for the entire congregation, has been invaluable, and very much appreciated. Elizabeth and Gare have relied heavily on her calendar management savvy, editorial skills, email wrangling and overall wise council, and we look forward to her continued participation on the SJC. Thank you Janet! (And now it is your turn! Anyone interested in assisting with some of the administrative fun that goes on behind the scenes for Social Justice can learn more about what our Clerk position is all about. Speak with Gare, Elizabeth or Janet to learn all about this opportunity to see how the Sausage of Social Justice gets made....)

Remembering Lucy Bailey

We remember with fondness and gratitude long-time member Lucy Bailey, who died on October 23, 2017 following an accident. Her family, after a brief private service in the Memorial Garden, is planning a memorial service at the church on Saturday, July 21 at 2:00 pm,. Lucy and George were pillars of the church and Sharon, and family members look forward to sharing memories with the many family friends who were privileged to know her. A reception in the vestry will follow the service.

New keyless doors coming to UCS this summer!

B&G and the Board of Trustees are developing a plan to convert several of the doors at church to a new keyless-entry system, thus eliminating the need for most of us to keep track of our church-issued keys. Staff, teachers, Committee chairs and others who need access to the church at times when the doors may not be open will each be given a unique 4 or 5 digit code that will open the main entrance, Admin Office, and RE Office doors, as needed. This will result in better security, easier access, and far fewer lost keys.

Detailed plans for the switch over this summer, likely in August, are currently being worked out. Stay tuned for more updates, and eventually a simple personalize code to replace your key if you are someone who needs access to the church at off hours. We are working to make the transition as smooth as possible!
